Worship Leaders - please note the change to this paragraph!

If your dates do not work for you, please first contact Kim Artrip, who is our permanent Worship Leader substitute. If she can't cover for you, then try to switch with another worship leader, preferably of the same gender. After you make the change, please call or email Kay in the church office. She will convey the information to Karen.

Gospel Readers - If your date does not work for you, please call or email Kay in the church office and she will convey the information to Karen, who will find another reader for that Sunday.

Gospel Readers - Please make sure that Kay has your email address. Her email is [eumcadmin@comcast.net](mailto:eumcadmin@comcast.net). Then, when it's your turn to read the Gospel lesson, she will email that information to you.

Thanks so much to all of you for your willingness to help lead our worship services!
