From the Pastor

By Rev. Karen Bunnell, Senior Pastor

Dear Friends,

What a great summer we've had at the church! Attendance has been up, giving has continued to be strong, we had a wonderful Vacation Bible School and mission trip, and a very well attended summer study held in four locations outside of the church! God has blessed us all richly this summer!

And now, we're getting ready to plunge back in to a very busy schedule in the fall. Sunday School will start up again, as will all of our musical groups, and the youth group will keep on going after having met steadily all summer. We've got some new learning opportunities coming up, which you can read about elsewhere in this newsletter, and we're also going to have some special gatherings in Weldin Hall.

If you haven't been involved in anything besides worship, I invite you to try something new this fall - there are so many ways to grow in your faith and serve through the church. If you're having trouble figuring out what to do or where to go, give me a call and I'll do what I can to help.

God is at work in a wonderful way at Elkton UMC, and it is such a blessing for me to be in ministry here with you. I look forward to all of the good things that will be happening this month, and can't wait to see where God is leading us!

INTERESTED IN JOINING THE CHURCH?

If you are, you're invited to attend the next New Member Orientation Class, which will be held on Sunday, September 16th at 12:15 p.m. in Weldin Hall. The class includes a presentation on United Methodism, on Elkton UMC in particular, on the ministries of our church, and how you can grow in faith and serve through the church. Childcare will be provided if necessary, and a light lunch will be served. To sign up for the class, please email eumc@comcast.net or call the church office at 410-398-0933.

Yard Sale Coming Soon!

No better way to kick off the Fall of 2012 than with the EUMC Yard Sale on September 22nd. The missions committee will start accepting items on September 16th at the church, and we are trying to stay away from the clothing items this year. The sale has always been a big success, and there are many people led by Pauline Eaton, to thank for this. The Summer has seen some nice projects that were completed like Christmas in July for the Wayfarer House, Book Bag Project, and we welcome home the group that participated in the Kentucky trip. Thanks to so many people that make these mission opportunities work, and we will look forward to the future.

HELP WANTED in the Welcome Center

Submitted by Linda White

Isn't it nice to see a smiling face welcoming you to church every Sunday morning? Are you one of the people who love to greet and say hello to new people who attend our church or just someone who likes to say hi to the friends you see at service each week? Then you belong in the Welcome Center! The Welcome Center requires only 20 minutes of your time before and after the service you attend, approximately 3 to 4 times a year. The only responsibility is to greet and give out information about worship services and Sunday school when asked. Welcome gifts to new attendees are also handed out here. Our church is getting ready to start a fresh Fall season with many new activities and educational opportunities, and our Welcome Center is an integral part of providing needed information. So if your friendly face would like to help out, please contact Linda White at 410-392-0761 or K-LWhite@comcast.net.

Wayfarer's House would like to thank everyone that helped make "Christmas in July" a great success! We are truly blessed to have so much support from all of you. Thank you so much!

Blessings,

Our July 4th Water Giveaway and Recycle at Meadow Park was a big success again this year! Thank you to all who so generously donated water and gave their time to collect, label, ice down, and hand out over 2,000 bottles of water at the fireworks display on July 4th. EUMC is thankful for the many volunteers of all ages that are willing to help. Every year we can count on the people of our church to support this mission project, and every year the people who attend this celebration let us know how much they appreciate it. The citizens of Elkton look for us at each end of Meadow Park and are grateful for this small gift of a bottle of cold water from us.

School Supply Drive

All I could say was OMG when I saw the mound of bookbags and school supplies that were donated during the month of August. THANK YOU to everyone who made donations to the School Supply Drive for Children. We stuffed 28 bookbags with the school supplies requested from the Cecil County Public Schools for grades Pre-K to 12th and then added more! Eight bags went to children in the county's homeless shelters through Meeting Ground, for bookbags went to children in the Women's Domestic Violence Shelter, twelve bags were donated to the food and clothing pantry at Immaculate Conception Church and four bags went to children at my own school. There was also a tub of supplies that went to Cecil Manor Elementary for students who came to school without the necessary supplies. It was a pleasure to see children and parents so elated to receive the necessary materials to start the school year on the right foot. Thanks to Sandy and Amy Wherry for helping me to stuff the backpacks. EUMC members are so awesome!

A big thank you goes out to everyone who volunteered and participated in this year's Vacation Bible School!

News for the D.O.C.

Hey everyone,

Want to have some fun? Our annual scavenger hunt and kick-off date for the year will be September 9th at 5:30 p.m.

This year we are inviting you and your parents to join us for a pot-luck dinner at 5:30 p.m. followed by a parent meeting about the year and what you should expect. One of our other adults will give you the instructions for the scavenger hunt and send you on your way. We need you to bring your phones to take a photo of your answers. We are going to make a picture board with all the answers, right or wrong and put them all on the bulletin board and see how many adults in the congregation can guess the correct answers from your photos. We may even have a prize for the first person to have all the correct answers.

I am so looking forward to this night and I hope you are as well! Bring your friends and plan to have a good time.

See you on the 9th!

Sandy

Finance

Bill Ferringer, Chairman Finance

I hope you had a good summer. Along with the hot weather, the church’s finances continue to be hot as well. After completing the July financial statements, I am truly amazed as to how well our church is doing. All are truly doing their part to make Elkton United Methodist Church a great place to be. I know the attendance is down some as it usually is during the summer months, but the good news is that our income continues to exceed our expenses. We had a surplus for the month of July of \$4,064 with a year to date surplus of \$18,721. In addition to these numbers, we were able to pay another \$10,000 to the bank to reduce our loan obligation. To date, we have repaid \$90,000 of our loan.

As we head into the fall season, we will need your continued support to maintain our many programs. It has been great so far, let’s keep it up. Elkton United Methodist Church continues to be an exciting place to be.

FINANCIAL REPORT

	July 2012	July YTD
Income	\$40,965	\$268,764
Expenses	36,901	250,043

Mentoring Opportunity

Submitted by: Nancy Mitchell

Our church began a partnership with Thomson Estates Elementary School approximately ten years ago. Our goal was to serve needy children in our community by meeting with them for one hour a week during the school year. The meeting takes place at the school in a room that has been provided by the school. Training is given by Beth Rousch (home/school advisor).

Mentoring has been shown to provide many benefits to a needy child: improvement in school attendance; improvement in grades; reduction of anger; better communication; learning to trust.

If you have a desire to serve as a mentor please contact the church office or call Nancy Mitchell (410-398-9344).

CLASSIC CHRISTIANS’ SEPTEMBER MEETING -

The fall kicks off for Classic Christians with a potluck dinner and program on Friday, September 21st at 6:30 p.m. The dinner will take place in Room 1 (because Weldin Hall is being used for the Missions yard sale on the 22nd), and the program will take place in the sanctuary. September’s program will be a presentation by our own Nancy Crawford, on information everyone who is growing older should have gathered together for their families. It promises to be a very valuable program for all of us. To sign up for September’s dinner and meeting, please see the sheet on the table across from the Welcome Center.

Retirement – Making Your Money Last, focusing on individuals and couples nearing or already retired. Content of this workshop discusses how challenges differ when transitioning from accumulation to income generation and asset protection. The workshop also covers fine-tuning a retirement income plan for those already retired.

With over 25 years of combined experience, Stephen Simmons and his team from State Farm would like to invite you to this informative and educational workshop Sunday September 23rd from 9:45 to 10:45 a.m. in Weldin Hall.

Mission Trip to Kentucky

Submitted by: Ted McDowell

From July 21 through July 29, the Kentucky Mission Team lived, worked, played and worshipped together. It was a terrific way to spend part of the summer. Fourteen hearty souls, including eight young people and six who are more experienced, spent a week in Mozelle, Kentucky.

When we arrived at Lower Beech Fork United Methodist Church, we were welcomed and made to feel at home by Reverend Steve and Diane Springer, as well as other members of the LBFUMC church family. On Wednesday evening, we were treated to a "carry in" dinner consisting of enough food to feed an army, which was prepared and served by many of the church's congregation. Every person we encountered made a point of welcoming us and telling how important our presence was to the LBF community.

Work took place at three houses, each only a short distance from the church. At Viola's house, several of us worked to build a new shed roof over a portion of the existing roof which had deteriorated and was leaking. At Harvey Dean and Mary Jane's, the work involved installing soffit and fascia boards at the ends of the eaves of a new roof. This project was the culmination of a two year effort by several work teams from various churches to eliminate leaks in the old roof and windows. A few members of the team spent a day power washing the siding of another house in the community. During the week, we spent our leisure time and ate our meals at the church. Sleeping accommodations consisted of air mattresses that we brought with us. Meals were prepared in the church kitchen, and we ate them in the fellowship hall. This was also where we held our devotions and spent time playing games and growing closer to one another and our new church family at Lower Beech Fork UMC. On Friday, we picnicked and had a campfire on Tower Mountain. This has been an enjoyable part of our week for the past several years.

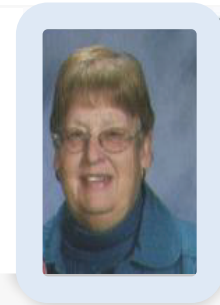

While there were fourteen of us who made the journey, the presence of everyone at Elkton United Methodist Church was felt in Kentucky. Without the active and generous support of the congregation through prayers and support of fund raisers, the mission trip would not have been possible. The team is thankful to everyone, especially the EUMC Missions Committee for allowing us to represent you. We also want to thank the people who provided delicious casseroles and desserts for us to enjoy while we were in Kentucky.

Dear Church Family,

I praise the name of the father when I meditate on the work of this body of believers. The Bible states we should start with offering a cup of water in the name of our Lord then make ourselves available for whatever God has planned for us. I thank you all for the cards, meals, phone calls, visits and, most of all, the prayers that encouraged me to continue the walk of faith in Jesus' name.

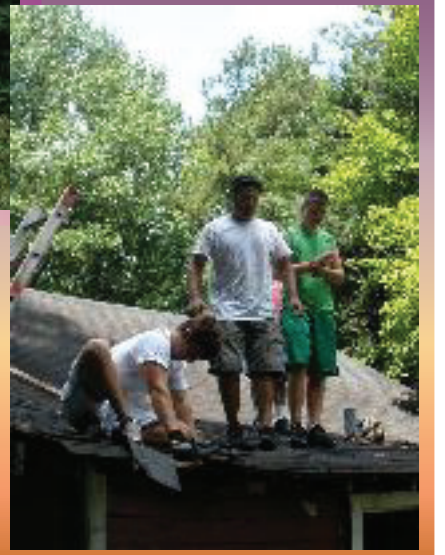

Love, Loretta Brockell
